

SP1040 (07-22-10)

(This Section requires SP3020 when commercially manufactured compost material is used.)

SECTION 01040 - PLANTING

(Follow all instructions. If there are no instructions above a subsection, paragraph, sentence, or bullet, then include them in the project but make necessary modifications to only include project specific specifications. Delete specifications that do not apply to the project.)

Comply with Section 01040 of the Standard Specifications modified as follows:

(Use the following subsections .15 and .15(b) when commercially manufactured compost is included as an option for soil conditioners.)

01040.15 Soil Conditioners - Replace the sentence that begins "Submit a 15 pound..." with the following sentence:

For mushroom compost and peat moss only, submit a 15 pound sample for approval by the Agency before construction.

01040.15(b) Composted Yard Debris - Replace this subsection with the following subsection:

01040.15(b) Commercially Manufactured Compost - Commercially manufactured fine and medium compost material meeting the requirements of Section 03020.

(Use the following subsection .19(g) when a contract growing agreement is required.)

01040.19(g) Contract Growing Plant Materials - Add the following sentence to the end of this subsection:

This project requires a contract growing agreement.

(Use the following subsection .20(e) when the allowable size of wood chip mulch is to be listed in the Special Provisions. Obtain the allowable size range from the Designer.)

01040.20(e) Wood Chip Mulch - Add the following to the end of this subsection:

Provide wood chip mulch in the following size range:

-

(Use the following lead-in paragraph and subsection .20(f) when commercially manufactured compost is required as a plant bed mulch.)

Add the following subsection:

01040.20(f) Compost Mulch - Commercially manufactured fine and medium compost meeting the requirements of Section 03020.

(Use the following subsection .22 when pressure moisture stress sensors, time-released water, or moisture retention chemicals are required. Delete what does not apply. Remove parentheses.)

01040.22 Water - Add the following sentence to the end of this subsection:

Provide a pressure moisture stress sensor device for this Project. (Provide timed-released water for this Project.) (Provide moisture retention chemicals for this Project.)

01040.48(a) Method "A" (Cultivated Planting Areas, Non-lawn) - In the paragraph that begins "Cultivate plant beds...", replace "2 inches" with "12 inches" in the first sentence and replace "52 inches" with "2 inches" in the second sentence.

(Use the following subsection .49 to include minimum watering frequencies for trees and shrubs. Obtain information from the Designer. Delete what does not apply.)

01040.49 General Planting - Add the following to the end of this subsection:

The following watering frequencies are required:

- Deciduous trees that are 1 1/2 inch and larger, water at a frequency of _____ .
- Conifer trees that are over 4 feet tall, water at a frequency of _____ .
- All shrubs, water at a frequency of _____ .

(Use the following lead-in paragraph and subsections .53(a) when commercially manufactured compost is required as an ornamental plant bed mulch.)

Add the following subsection:

01040.53(a) Ornamental Plant Bed Areas - Add the following paragraph to the end of this subsection:

Spread compost on top of the soil to a nominal depth of 3 inches.

(Use the following lead-in paragraph and subsections .53(b) when commercially manufactured compost is required as a non-ornamental plant bed mulch.)

01040.53(b) Non-Ornamental Plant Bed Areas - Add the following paragraph to the end of this subsection:

(3) Compost Blanket - Spread compost on top of the soil to a nominal depth of 3 inches.

(Use the following subsection .77(d) when sod lawn is required. Obtain the schedule from the Designer.)

01040.77(d) Sod Lawn - Add the following to the end of this subsection:

Provide sod lawn feeding, mowing, and general treatment as follows:

-

(Use the following subsections .90(f) when commercially manufactured compost is required as a plant bed mulch.)

01040.90(f) Mulch - Add the following pay item to the pay item list:

Compost Mulch Cubic Yard
